Please attach a purchase order, if required by your district.

I attest that the district owns the copyrighted books and has assigned a book to **each** student who is using an alternate format. The scanned files will be used exclusively for students who have an identified disability, documented on an IEP or 504 accommodation plan. The alternate format files will not be reproduced or distributed.

Name, Position

Date

Bindings will be removed for the automatic document feeder scanner and replaced with a spiral binding. Files will be saved in .kes file format or .pdf as requested. If .kes is used, the school must own Kurzweil 3000 software to use these files. Please check files for accuracy as soon as you receive them.

Format needed: CD (~\$2.00/book), Flash drive (~\$10.00 for an 8 GB drive), Firefly, or Google Drive
