Series 1000

Policy Title: Cooperation with Other Organizations Code No. 1004

**Policy Statement**

The Heartland AEA Board encourages active Agency cooperation with community and education organizations concerned with the welfare of children/students and supports the civic involvement of the staff as individual citizens.

**Scope of Policy**

Agency funds may be used for selected events, activities or organizational sponsorships that support the mission of Heartland AEA with the initial approval of the chief administrator and final approval of the Board.

Examples of involvement are making presentations, organizing events or providing Heartland AEA informational materials. Additional guidelines for staff involvement are detailed in the staff handbook.

**Accountability Overview**

The chief financial officer provides monthly bills incurred under this policy for Board review.
