

Board of Directors
Series 200

Policy Title: Board Policies

Code No. 201

Policy Statement

Policies are adopted by the Board to chart a course of action. Administration implements Board policies through the establishment of Heartland AEA practices and procedures.

Scope of Policy

Adopting new policies and amending or rescinding existing policies are the exclusive responsibilities of the Board. If the Board states an effective date within the policy, the policy becomes effective on that date. Otherwise it becomes effective on the date of passage.

Accountability Overview

The Board will complete a cyclical review of policies at least every four years or as needed. The Board President and Chief Administrator shall appoint a policy committee to systemically review policies and assist in the policy development process.
