Series 700

Policy Title: Local District Transportation Responsibility Code No: 700

Policy Statement

The Board recognizes its responsibility to review and approve specific transportation arrangements as defined in Iowa Code, Chapter 285.

Scope of Policy

- Heartland AEA requires local districts to verify formal permission from neighboring districts before regular bus routes cross district boundaries.
- The Board receives and hears appeals from school patrons regarding transportation decisions of local school district boards.
- The Board determines the safest and most passable student transportation intra-

Accountability Overview

- Heartland AEA Board reviews and takes action on all inter-district transportation agreements.
- Board members hear all appeals within their jurisdiction regarding both inter and intra-district transportation routes.

Date of Adoption: 12/8/92

Reviewed: 4/13/21

Amended: 9/8/98, 8/05, 6/14/16
