

# Intensifying Instruction for Literacy

Heartland AEA consultants partner with district teams and individuals to support students in achieving literacy growth to close the gap through personalized coaching, collaborative efforts and expert consulting. We equip educators with the tools and strategies needed to increase student achievement.

## Intensifying Instruction for Literacy

High impact deliverables for literacy instruction:

- Needs assessment & district literacy data review
- Design of high-impact literacy instruction
- Coaching small groups and individual teachers
- Application of supplemental and intensive system guide
- Implementation of fidelity monitoring
- Leadership support to plan, reflect, monitor and adapt plans for implementation
- Ambitious goal setting
- Data-based decision making protocols
- Data Day facilitation support

### Professional Learning

We offer tailored professional learning that addresses your district's current needs, aligned with literacy screening data.

### Leadership Support

We assist leadership teams in analyzing data and planning targeted interventions utilizing evidence-based literacy strategies.

### Coaching

We offer regular coaching sessions for teachers, including one-on-one and small group coaching, to assist with planning for intensified instruction to ensure students are closing the gap.
