

Standards-Based Learning Including Grading & Reporting

Our Standards-based Learning team will partner with your district/building leadership team to **facilitate a review of curriculum, instruction and assessment practices around established standards of learning** to create and assist with the implementation of a standards-based learning prioritized plan.

Foundational Package

2 days with your district leadership team

Quarterly Support

4 days

Monthly Support

8 days

Foundational Package

Your district leadership team will use the Heartland AEA ***Standards-Based Learning Framework*** to create a district prioritized plan for the work.

Providing an Array of Supports

Our team can provide a wide array of supports for your district. The support can be customized to the specific needs of your district based on the prioritized work plan around the areas of the *Standards-Based Learning Framework*:

- Standards-based Learning
- Learning Targets, Scales & Rubrics
- Implementation Considerations
- Beliefs About Student Learning
- Student Management Systems & Grading/Reporting
- Internal/External Capacity Building
