

Infinite Campus Student Information System (SIS)

Our expert team can provide personalized support and training across the state for school districts that use Infinite Campus.

The Infinite Campus Team provides the following assistance:

Support: The AEA provides customer support, including responding to questions, recommending best practices and troubleshooting bugs.

Step-by-Step Instructions: Guidance and step-by-step instructions for districts, in areas including but not limited to:

- ✓ Changes in school setup
- ✓ Custom field creation
- ✓ Data extracts
- ✓ Fees & point of sale
- ✓ Grading changes & setup
- ✓ Scheduling changes
- ✓ Security settings
- ✓ Standards implementation
- ✓ State reporting

Customized Training: Online and in-person training is available throughout the school year on topics of your choosing.

Free value added services through open Database Connectivity (ODBC)

Coaches customize their work with educators to tackle problems of practice, including, but not limited to:

Bulk Data Uploads

With access to your database, our programmers can perform bulk data uploads for you. Examples include ISASP Claims Codes, census data, PIN codes and more.

Free Behavior Reports

The AEA provides insight into common Positive Behavior Interventions and Supports (PBIS) data reviews such as referrals by location, problem behavior and time of day.

Even More

Future add-ons like an integration of the Iowa Home Language Survey are also under development.

Contact:

Our team has extensive experience working in partnership with Iowa school districts on state reporting, school information systems and other statewide technology needs. If you would like to learn more about the services we offer, email:

gwaecainfinitecampus@gwaea.org

You can also request a Zoom meeting with our Infinite Campus consultants to discuss upcoming changes or explore existing features you want to learn more about.
